

ARTJL ETHICS AND POETICS LAMPS

ArtJL **lamps** are designed from **heaters** from the 1930s to the 1970s. All are **unique pieces**.

Full of history

70 years ago, grandma heated herself with these radiators... Now they give you light.

Made in France

In the ArtJL workshop in Montpellier, these heaters, transformed into lamps, are given a second life.

Ecological

«Nothing is lost, everything is transformed», said Lavoisier. This saying is still valid today.

Unique pieces

Each lamp has its own story. It's up to you to write the rest. Where will it fit in your home?

Affordable price

In the ArtJL collection, you will find a lamp to suit your budget (from 95 euros).

Different styles

Lamps in vintage, art deco, industrial, Scandinavian and contemporary styles.
